

2017 KWAH BOD Meeting with Ft Bissell Saddle Club Letter to the KWAH Membership

KWAH Membership

The KWAH Board of Directors would like to keep the KWAH Membership apprised of the current issue being discussed concerning heated races at the KWAH State Show being held at the Phillipsburg Rodeo Grounds. Currently a meeting has been set with BOD members to meet Ricky Solida at the Phillipsburg Rodeo Grounds to address the concerns for safety brought forward by the Fort Bissell Saddle Club as they are the hosting club. The BOD members will evaluate arena size and shape to address the concerns of running heated events at this arena. The BOD members will advise the entire BOD of its findings and recommendations based on these findings. The next BOD meeting is January 29, 2017 and this issue will be discussed at this time. If any member would like to attend the meeting of the BOD feel free to join us as it is an open meeting. The date, time, and location of the meeting is listed below.

We thank you for your patience while this concern is being addressed.

Sincerely,
KWAH Board of Directors

January KWAH Board of Directors Meeting

January 29, 2017
10:00
Front Door Community Center
1615 Tenth St.,
Great Bend, KS 67530
