

2017 Rule Book Letter to Members

KWHA Membership,

This year the Board of Directors voted to take orders for the new KWHA rule book for 2017-2018

The club secretaries are responsible for placing the order and mailing a check for the rule books to Norleen Knoll/KWHA State Treasure.

If you would like to have a new rule book with the rule changes, please get with your club secretary to turn in the rule book order.

All orders and payments must be received by February 10.

This will give the Rule Book Committee time to get the books printed and distributed.

Club Secretaries, please don't forget to take into account any new judges that may need one and/or new members for the upcoming year.

Rule Book Cost is \$5.

Sincerely

KWHA Board of Directors
