Reason for Correction

Word is incorrect for drawing and description of the event

Rule as Currently Written

A barrel is centered on the turning line and another barrel is set 75 feet toward the starting line. Contestant is mounted, races to nearest barrel and circles it completely to the left of right then race to the barrel on the turning line (crossing between the barrels as in figure 8 on the way) turning the opposite direction around the second barrel, on return (crosses between barrels like figure 8) to first barrel and circles it completely the same direction as the first turn and races to finish line. Contestant is disqualified for breaking pattern.
