### Reason for Requested Change:

Increasing the club fees to accomodate the change in number of active member clubs and to put a more balanced cost to the club vs that of fund raising. Also sending to the Treasurer allows use of Venmo and less need for postage between the Secretary and Treasurer.

### Rule Change Requested:

Section I. The dues for each member club shall be fifty (\$50.00) per year, payable in advance to the Treasurer. The dues thereafter shall be fixed by a majority vote of the delegates present at the Annual Meeting. The Secretary shall notify member clubs whose dues are not paid by the first of March and those whose dues are not paid by the first of April shall be dropped from the membership roll. Member Clubs dropped for non-payment of dues may reinstate at any time by the payment of the current year's dues. Member clubs that pay their dues after the first of April will not be allocated the two voting delegates at the Annual Meeting that fiscal year.
