CONSENT AGENDA

Howard Sauer moved to approve the consent agenda; Mark Riley seconded. Unanimous vote carried.

OLD BUSINESS

- Jared Scheck addressed concerns about the USDA Health Regulations Act. He said at this time since KWHHA's events are less than 10% judged, we do not have to comply. However, organizers of shows may ask for a negative Coggins test, and the horse owner must show proof.

NEW BUSINESS

- Renee Nichols moved to table discussion of the benefit show until the committee meets. Triston Boxum seconded. Motion carried.
- State show committee chair Mark Riley gave updates regarding decisions that had been made. The BOD will be using Walker Wranglers' properties, Dan Miner is providing a 4-wheeler & drag, and the Bar K Bar arena is helping to find a tractor in the area. Mark gave the list of events that will be run at state. Friday: KWHHA benefit barrel race; Saturday: Bareback Horsemanship, Western Lead Line, Walk Trot Horsemanship, Western Pleasure, Hay Race, Keg Bending, Two Barrel Flag Race, Figure 8 Stake Race, and Team Speed Barrels; Sunday: Arena Race, Spur Race, Flag Race, Pair Sack (Single Barrel) Race, Top & Turn, Key Race, Lane Barrels, and Half 8 Race. Initially, Cloverleaf had been included in the list; however, it was decided to pull that event.

- Finance committee chair Norleen Knoll reported that the 2025-26 rule books are ready. Currently, we had sold \$725 books, and \$430.19 of that is profit. She will be asking Northwest Printers if, for the next rule book, we could receive a discount if we use their logo on the back of the book. She also said that she will ask them for a similar deal for the state programs. Norleen has contacted Centennial Inn & Suites in Lyons to ask for a hotel deal during state, but she has been unable to reach them. Renee Nichols commented that when they filled out the Rice County Grant Application, it was reported that 25 rooms were rented. Cash Dash tickets were given to all board members present and scholarship committee member Linda Sanders. Aaron Dohm moved that the deadline to turn in Cash Dash tickets to Norleen would be before the Friday BOD meeting; Mark Riley seconded. Motion carried.
- Jared Scheck reported in Jaiden Perales' absence that the awards committee has purchased several items, and they are diligently working on others. They had posted on Facebook asking for award ideas and had received several good suggestions.
- Camryn Kinderknecht reported for the scholarship committee that she has updated the scholarship application due date, the contact information, and the involvement cards. The deadline is September 13. Renee Nichols asked if the committee would consider that the applicant not ask for 2 involvement cards from 2 different individuals for the same event.
- The judges committee recommended hiring Shelby Getz from Quinter for state show. KWHH would be responsible for \$150 judging fee and \$210 in mileage. Gregg said that he would contact her during their committee meeting to ask whether Saturday or Sunday worked better for her and the time she could be there.
- The web/social media committee chair, Renee Nichols, presented specific information about the type of traffic that has been visiting the new website.

She discussed how clubs are welcome to submit up to 100 pictures of their shows throughout the year. The committee will choose ten to feature on the home rolling screen. The rolling screen pictures will be there for a month, and the others will be in the photo gallery for a year. She reported that the junior representatives, Jensen Miner and Jordan Cameron, will be responsible for TikTok, so if anyone has anything they'd like featured there, to give to those girls. Renee also mentioned that she will be continuing the spotlight articles as soon as she finishes creating the fillable pdf entry forms.

- The nominations committee had nothing new to report.
- Renee Nichols moved to table discussion of the rules committee until the chair, Camisha Stevenson, arrived. Triston Boxum seconded. Motion carried.
- For the special events committee, Renee Nichols commented that there were many ropers at Spring Kickoff. The kids were also receiving free tickets to the Fort Hays State college rodeo. EquiFest is March 21-23, and they are still waiting on Fort Riley to turn in their pattern. The drill team has created a difficult pattern! Walker Wranglers are allowing EquiFest to use their timers.
- Camisha Stevenson arrived at 10:36 am and said that there will be a constitution rule change vote at the general meeting.

Mark Riley moved to break for committee meetings until 11:30. Aaron Dohm seconded. Motion carried.

Norleen Knoll moved to extend the committee meetings by 11:40, seconded by Cameryn Kinderknecht, motion carried unanimously.

Jared Scheck called the meeting back to order at 11:43 am.

Scholarship: There was one KWHa scholarship show bid submitted: July 25-27 in Bennington. They also chose to mimic the state show bill.

GOOD TO THE ORDER
